**Position Available: Landscape Mason**  
**Department: BuildScapes**

**ABOUT THE ROLE:**

*As a Landscape Mason, you will play a crucial role in constructing and maintaining outdoor stone and brick structures. You will be responsible for building retaining walls, pathways, patios, and other masonry structures that enhance and blend with the natural landscape of Western North Carolina. An ideal candidate will have a strong understanding of masonry techniques, regional materials, and the physical demands of the role.*

**KEY RESPONSIBILITIES & REQUIREMENTS:**

- Proven experience: 2-3 years of experience in masonry, particularly with outdoor and landscape projects.
- Proficiency with masonry tools, such as saws, chisels, levels, and trowels.
- Knowledge of site preparation, including marking, excavation, and leveling for stable foundations.
- Familiarity with local stone types and materials, like granite, pavers, stone veneers, block walls, mortaring, and river rock.
- Knowing different infill methods on the above stone applications.
- Ability to follow design plans accurately, create visually appealing structures, ensure safety, and longevity in all builds.
- Capable of lifting heavy materials and working outdoors in various weather conditions.
- Willingness to follow safety guidelines and maintain compliance with building standards.
- Good understanding of basic math for measurements.

**WHAT WE OFFER:**

- Competitive salary ranging from \$18 TO \$24 per hour, based on experience.
- Opportunity to work with an established company in the landscaping industry.
- A supportive and collaborative work environment
- Opportunities for growth and advancement within the company
